

## Overview

This is one of the best and largest as well as a most undisturbed wilderness area in Nepal's Terai region. It is situated on the eastern bank of Karnali River in Bardia district. It was established to protect the ecosystem and conserve tiger and other endangered animals. This is one of the richest wildlife habitats and more beautiful and attractive place of Asia to visit. The Bardia National park, where 70% park is covered by the forest, savannah, riverine and grassland forest. It is the home of 53 mammals including Genetic dolphin, wild elephant, Bengal tiger, and rhinoceros and swamp deer. More than 407 types of birds are found here. The Bengal Florian, Peafowl, Bar-headed geese and white-rumped are the major symbol attraction of the National Park. The approximately 1500 people who used to live in this valley have been resettled elsewhere. Since farming has ceased in the Babai Valley, the natural regenerated vegetation makes the area a prime habitat for wildlife.

This is the right place to excursion around the wildlife safari tour, which will take you to the exciting part of the jungle walk, Elephant back rides safari, Elephant and Tiger tracking, wild sightseeing, bird watching, dolphin sightseeing, jeep safari, camping and much more. Also, the park will provide great opportunity to get a closer view of the endangered one-horned rhinoceros and other many attractive and beautiful animals. During the course of this tour, we will have an expert wildlife tour guide and luxury private tourist vehicle. We will transfer to cities and hotels by private tourist coach and airplane. All accommodation will provide three to five-star hotel and lodges available area during the tour. This is a tailor-made tour package and we created a best wildlife safari tour package to fulfill your dream of Nepal wildlife safari tour. We hope and wish your Bardia wildlife safari tour will be a fantastic and memorable tour for whole life.
