

Overview

Gosaikunda Lake Trekking is one of the most popular cultural, lifestyle and customs of ethnic people of Himalaya as well as to explore vegetation and wildlife of the Langtang region of Rasuwa district Nepal. The trip to Gosaikunda, a beautiful trekking route lies in the north of Kathmandu valley which is very renowned for both Buddhist and Hindus devotees and followers. Where a lot of pilgrims visit [Gosaikunda Lake](#) every year, on the Full moon day of the Bhadra (August). The devotees are celebrating Janai Purnima Mela, thousands of people worshipping to Lord Shiva can espy. Langtang Gosaikunda is also known as the gorge of glaciers with the natural and traditional beauty, the boon for locals and travelers. The Langtang Region provides the chance to enjoy the eye-catching view of the hidden valley and awesome Himalaya vistas and the snow-covered mountains like Langtang Lirung, Langtang Ri, Ganesh Himal, Langsisa Ri, Dorje Lakpa, Jugal Himal, Gauri Shankar and much more. The Langtang Gosaikunda Trek offers you to learn about an astonishing: the Himalayan people's lifestyle and culture. In the Langtang region, you can observe a large number of ethnic communities, the mostly inhabitant of Tamang, Gurung, Sherpa and other tribes.

The 18 day long Langtang Gosaikunda strenuous trekking itinerary, takes us in the sacred region of Gosaikunda Lake and the beautiful Langtang valley. Visit the beautiful Langtang National Park and Langtang Valley with wonderful mountain views. The major attraction of Gosaikunda Lake trekking is the lush rhododendron, oak and bamboo forest, wild animals, majestic waterfalls, beautiful white giant mountains, holy lake, and river. Following the Trishuli River north out of Kathmandu city, this trail is the nearest trekking area from Kathmandu; the trekkers can get the all-natural and cultural experience of the Himalayan region. While trekking in the Langtang area you also see majestic and excellent views of Mount Everest (8848m), Manaslu, Annapurna, Gauri Shankar and much more.

The amazing adventure trekking begins from the hill town of Syabrubeshi, you will drive from the ancient Kathmandu city. You drive north of the Trishuli River via Trishuli Bazaar and Dhunche-inhabitant of ethnic Sherpa and Tamang community- to Syabrubeshi, where the National Park is situated. We then head to Langtang valley, overpass the River, we trek through rhododendron and oak forest and Tamang village of Langtang. A little walk we reach up to Kyangin Gompa, many trekkers stop for overnight and to watch the local yak cheese factory. We continue trekking through Syabru and Sing Gompa to a high uphill (the sacred lake Gosaikunda is located).

The best season to visit Langtang Gosaikunda Lake trekking is autumn (October-November) and spring (March-May). At this time, the weather is warm and sunny with excellent views, but the nights will be a slight cold. Winter (December- February) is also nice for this trip, but it is too cold throughout the trek. The beautiful and unique Langtang Gosaikunda trek will be run by our active and well English speaking mountain experience trekking guide. We provide Langtang Gosaikunda Lake trekking map and manage your accommodation during the trekking on the mountain and only breakfast in the hotel in

Kathmandu. We have been providing the best quality service in the Langtang Gosaikunda trekking and also the best and affordable cost for all visitors. Hopefully, you will enjoy the Langtang Gosaikunda trip with culture and nature experience. [Nepal Glacier Treks and Expedition](#) always has been following the customer feedback, that is you can read easily review on our website.
